

The new KX-T7737/KX-T7737-B Talking Caller ID¹ Telephone

with, Backlit Dial Keypad and 3-Line Backlit LCD Display

Screen Your Calls from Across the Room!

Your home and office need effective and efficient methods of communication. With Talking Caller ID¹, you'll know who's calling without having to glance at the handset, so you won't have to sprint to the base to see who's calling or make a snap decision on whether or not you want to pick up. In addition, the impressive

KX-T7737 phone is available in charcoal black or white, with a backlit dial keypad and a built-in backlit LCD display. Stylish yet functional, these affordable telephones are user-friendly with one-touch access to many of the most frequently used features, putting the power right at your fingertips.

KX-T7737 Feature Highlights

- Talking Caller ID¹ announces who's calling, allowing you to screen your calls without being near the handset.
- Lighted Keypad for Dialing: Perfect for use in entertainment rooms, bedrooms, art gallery rooms or in other low-lighted areas.
- Built-in Backlit LCD Display: The KX-T7737 has a 3-line x 16 Character Display making it easy to read important information such as Caller ID¹, system directory, and other features.
- Ringing/Message LED: Large LED for both Ringing and Message indication that is visible from a distance for ease of use.
- Speakerphone: High quality speakerphone with exceptional voice quality and easy operation.
- One Touch Keys: Most commonly accessed features, such as: Transfer/Hold/Forward-DND/Pause/Flash-Recall/ Redial/Intercom/Auto-Answer/Conference.
- 24 Flexible Keys: Programmable simple one-touch dialing for CO lines, extensions or quick access to important telephone features.

¹ Requires subscription to a name and number caller ID, call waiting and/or voicemail service offered by certain local telephone companies for a fee. Name pronunciation may vary with talking caller ID, which is based on names most commonly used in the United States.
